using the Local Authority computerised distance measuring software. In the event of two distances being equal, lots will be drawn by an independent person. The random allocation process will be supervised by someone independent of the school, and a fresh round of random allocation will be used each time a child is to be offered a place from a waiting list.

Parents can check their catchment area and apply for a place at www.nottinghamshire.gov.uk/admissions

Late Applications

Such applications will be from parents or carers that: Families who have recently moved into Nottinghamshire or can prove that at the time of completing the form that there were exceptional reasons for missing the published date. The Local Authority will treat such applications as on time where it is practical to include them in their first ranking. Further information about late applications can be found on the Nottinghamshire County Council website at www.nottinghamshire.gov.uk/education/school-admissions/apply-for-a-school-place

Waiting Lists

If your child has not been offered a place at their preferred school, you will be informed of your right to appeal and your child will be added to their year group's waiting list. The waiting list for admission to Serlby Park Academy will remain open until the end of the Autumn term of that academic year (31st December). Parents must make a request for their child's name to be put on the waiting list which will be revised annually. Applications that have been refused will automatically be placed on a waiting list. The lists are ranked in the same order as the oversubscription criteria which means that a child's position could go up or down throughout the year. Any late applications will be added to the list in accordance with the order of priority for allocating places. Inclusion on a waiting list does not guarantee that a place will eventually become available for your child, however, should a place become available, we will notify you as soon as possible.

Waiting lists will be held until 31st December of each school year of admission. Parents may choose to make a new application from 1st January of the same school year. Children will then be ranked again in line with the published oversubscription criteria outlined in this document. Looked after children, previously looked after children, and those allocated a place at the school in accordance with a Fair Access Protocol, must take precedence over those on a waiting list.

In the event of an application being refused as there are more applications than places available, parents have a right to appeal to an independent appeals panel. The appeal should be lodged within 20 school days.

In Year Applications

Serlby Park Academy participates in Nottinghamshire County Council's in-year coordinated scheme. Applications can be made for admission outside of the normal round (in-year) at www.nottinghamshire.gov.uk/education/school-admissions/changing-school

Applications for places in any year group made during the school year, will be considered by the AAB. Where there are sufficient places, an application will normally be agreed by the Admissions Committee. Where the number of applicants exceeds the number of available places, applicants will be ranked in accordance with criterion listed in the 'Over-subscription' section in the same order of priority and places will be awarded accordingly. If a place is agreed, parents will receive confirmation from Nottinghamshire County Council and a start date will be determined.

Any parent whose child is not offered a place in any year group at the Academy will be notified of their right for independent appeal.

Serlby Park Academy participates in Nottinghamshire County Council's Fair Access Protocol.

Admissions outside the normal age range

Parents may seek a place for their child outside of the normal age group, for example, if a child is gifted or talented or has experienced problems such as ill health. Children should only be educated out of the normal age group in very limited circumstances.

Nottinghamshire residents should submit a request in writing to Nottinghamshire County Council school admissions team as early as possible. Designated officers will make decisions based on the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, the child's medical history and the views of a medical professional; whether they have previously been educated out of the normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The views of the principal of the school concerned will also be taken into account. When informing parents of the decision on the year group to which the child should be admitted, the parents will be notified of the reasons for the decision.

Where it is agreed that a child will be admitted out of the normal age group and, as a consequence of that decision, the child will be admitted to a relevant age group (i.e. the age group to which pupils are normally admitted to the school) the local authority and admission authority will process the application as part of the main admissions round on the basis of their determined admission only, including the application of oversubscription criteria where applicable.

The parent has a statutory right to appeal against the refusal of a place at a school for which they have applied. The right does not apply if they are offered a place at the school but it is not in their preferred age group.

Transfer to Secondary schools

Where a child has been educated out of the normal age group it is the parent's responsibility to again request admission out of the normal age group when they transfer from junior to secondary school. It will be for the admission authority of the preferred school to decide whether to admit the child out of the normal age group. The admission authority must make a decision on the basis of the circumstances of each case and in the child's best interests, and will need to bear in mind the age group which the child has been educated in up to that point.

Admission Under Special Circumstances

Special consideration will be given to children whose medical needs, mobility support needs, special educational needs or social circumstances are supported by written evidence from a doctor, social worker or other relevant professional stating that the Academy is the only school that can cater for the child's particular needs. Supporting evidence must be presented at the time of application. The AAB will consider each case on its merits and determine the allocation of any such place on the basis of the written evidence. Admission under 'special circumstances' will take precedence over all but the first of the numbered criteria.

Children of nomadic Travellers will be allocated a place at their catchment area school.

Looked after and previously looked after

A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions in accordance with section 22(1) of the Children Act 1989 at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 and children who were adopted under section 46 of the Adoption and Children Act 2002. Child arrangements orders are defined in section 8 of the Children Act 1989, as amended by section 12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

Home address

The child's place of residence is taken to be the parental home, other than in the case of children fostered by a local authority, where either the parental address or that of the foster parent may be used. If a child's parents live at separate addresses, the address where the child permanently spends at least three 'school' nights (Sunday, Monday, Tuesday, Wednesday or Thursday) will be taken to be the place of residence. Addresses of other relatives or friends will not be considered as the place of residence, even if the child stays there for all or part of the week. Evidence that a child's place of residence is permanent may also be sought. The evidence should prove that a child lived at the address at the time of application. Informal arrangements between parents will not be taken into consideration.

Appeals

If a child has been refused a place, the parent has the right to appeal against the decision. The deadline for lodging appeals allows appellants at least 20 school days from the date of notification that their application was unsuccessful to prepare and lodge their written appeal. The appeal must be made in writing to the Principal of the Academy. Advice on how to lodge an appeal will be included in the letter advising that a place has been refused and the reason why the place has been refused. More details on the appeals process can be found on the County Council's website at www.nottinghamshire.gov.uk/learning/schools/admissions/appeal-a-decision
